SECURITY WITHOUT A SUBSCRIPTION

Introducing the next evolution in smart security devices. SATCO's Security Floodlight Camera powered by STARFISH™, provides the latest technology in home security and surveillance without the monthly subscription fees.

Video is stored directly to the local microSD card, eliminating the concern of cloud data breaches and camera hacking. Instantly view all recorded events seamlessly on your mobile device anywhere, any time!

A WHOLE HOME SMART SOLUTION

STARFISH™ is a leading technology that combines smart home security and lighting controls into one complete solution, an industry first! With a growing line of security and lighting products, SATCO's STARFISH products are the premier choice in building your smart home—all controlled by a single app.
