

HI-PRO 360 LOCKING CLIP

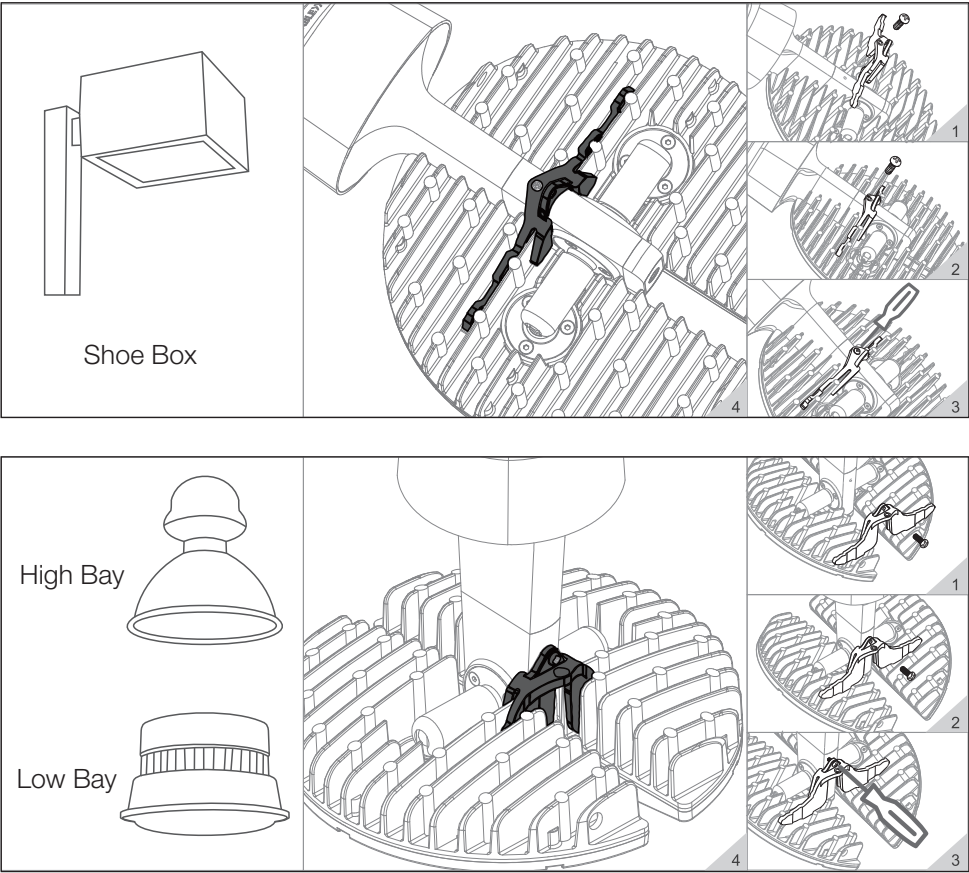

ADDITIONAL INSTALLATION INSTRUCTIONS

IMPORTANT: Read before installing fixture. Retain for future reference.

The Hi-Pro 360 Locking Clip is designed to be used in Shoe Box and Hi Bay/ Low Bay applications. (The clip is not necessary for Post Top applications.)

For these applications the DLC requires the LED array to be set in a fixed position by inserting the clip as shown in the diagrams below.

SATCO MODEL NUMBER(S)	DLC REBATE LUMINAIRE APPLICATION
S13120(S) 70W/LED/HID/HP360/827/100-277V	SHOE BOX LUMINAIRE
