STEP 1: Turn-off / disconnect power at circuit breaker. Attach connector (provided) to AC cable from junction box: L side to Black side wire. N side to White AC wire.

STEP 2: Remove bracket from back of fixture.

STEP 3: Attach the bracket to junction box using 2 screws (provided). Pull the AC cable with connector through the bracket center hole.

STEP 4: Make ground connection. Next simply "click" the two sides of the orange wire connector together.

STEP 5: Align slots on the edge of fixture with the Pressure Clips on the mounting bracket and PUSH to lock fixture in place.

STEP 6: Push and feed all wires up into junction box as you raise the fixture into place.

Installed-Congratulations...
Enjoy the light!

Dimming

This product is compatible with most residential type dimmers available on the market. The dimming performance will depend on kind of dimmer and dimmer settings. Visit Satco.com for an up to date list of compatible dimmers.

Cleaning

- Clean with a soft or damp cloth. While cleaning with the damp cloth make sure the power is off.
- Do not clean with abrasives.

5 Year limited warranty

The purchased product is covered with a 5 year warranty in respect of any defect in material or workmanship after purchase date.

Satco shall bear no responsibility on account of guarantee, as well as shall bear no liability for any faults, in case of improper operation, use negligence, accident or exposure to natural hazard, or excessive use over the limits specified for the unit, or if any unauthorized alteration or repair followed.
