Mounting Plates & Posts
sold separately

SATCO|NUVO's LED Landscape Floods are sleek in design and offer the versatility to light any outdoor environment. Mounting accessories are available to suit a variety of applications such as post mounts for landscape or mounting plates for wall or under eave lighting. These flood lights are 120V (no transformer required) and are offered in three sizes and four different finishes. Constructed out of die-cast aluminum, these fixtures are built to withstand harsh weather conditions.
