

Mounting chains
included

Features:

- Fully Independent Articulating Light Panels
- Integrated DC Sensor Port
- 0-10V Dimmable
- 50,000 Rated Life Hours
- DLC 5.1 Premium Certified
- 5 Year Warranty

Suggested applications:

- Commercial and Industrial Applications
- Gymsnasiums
- Warehouses
- Manufacturing

SATCO|NUVO's 2-foot Linear High Bay fixtures with adjustable light panels are the ideal solution for medium to large spaces that require directional light output. The fully independent articulating light panels can rotate freely in any direction up to 180 degrees and are offered in four wattage packages in either 4000K or 5000K color temperatures. An additional feature unique to this linear high bay is the integrated DC sensor port located on the fixture body. Simply screw in an available PIR or Microwave accessory for motion sensing functionality, saving time and labor hours.

Suspension mounting chains and accessories are included. Pendant and surface mount kits are available for additional mounting options. This fixture also accepts an in-line 90-minute batterybackup accessory also available. All fixtures are damp location rated, DLC Premium certified and backed by SATCO|NUVO's certified 5-year warranty.

SATCO **NUVO FUNCTIONAL**

GENERAL SPECIFICATIONS

Input Voltage, Frequency:	120-277V, 50-60Hz	Efficacy:	Up to 147 LPW
Power Factor, THD %:	0.9, 0.2%	CRI:	80+
Dimmable:	0-10V Dimming	Functional Life:	50,000 Hours
Surge Protection Rating:	4kV	Location Rating:	Damp
Emergency Backup Compatible:	Yes (with accessory)	IP Rating:	IP40
Motion Sensor Available:	Yes	Ambient Operating Temperature:	-40C (-40F) to +50C (+122F)
