- Enhanced, passive heat sink design
- Easy installation; portable, flexible
- High lumen, efficient LED lighting
- Omni-directional 360° beam angle
- Heavy duty mounting hook
- 25’ Power cord included
- Wet location
- IP65
- 50,000 Hour life
- 5 Year warranty

Suggested applications:
- Construction sites
- Outdoor activity lighting
- Indoor/outdoor temporary lighting

Satco’s latest Hi-Pro temporary work lights take job-site lighting to the next level. These rugged yet lightweight lamps are perfect for indoor or outdoor use and built to take whatever the elements throw at them. And they are power selectable for maximum flexibility, lighting the largest spaces with ease. Choose from 7200 lumens at the 60W setting, 9200 lumens at 80W and 11,000 lumens at the 100W setting.
This work light comes complete with 25′ cord and large hook for hanging. This is efficient LED technology that will light most any project or event delivering high lumen lighting where it’s needed.
