Satco's LED lamps with plastic envelopes combine the latest technologies with shatterproof safety. These lamps are perfect 48" replacements for those used in food service establishments, restaurants, hospitality venues or anywhere standard glass tubes could be a hazard. These 10.5W Single ended or Double ended wiring ballast bypass lamps are available in the most popular 4000K CCT.

**2 Installation Options**

**1. Double Ended Wiring**

**2. Single Ended Wiring**
