live life enlightened

Easily expand home security with SATCO|NUVO's Smart Wireless Doorbell with Remote Chime. This complete doorbell system comes with rechargeable battery so that the unit can be installed with no electrical work. Motion detection sends alerts directly to your mobile device allowing you to view historical events and live events in real time, from anywhere. The included chime plugs into standard 120V outlets, making the doorbell audible, even if your mobile is on silent.

These doorbells are also compatible with Google Home, Siri, SmartThings, and Alexa, including the Alexa Show.

ADJUSTABLE ANGLE DOORBELL MOUNT KITS

Achieve the ideal viewing angle with SATCO's Starfish Doorbell Mount Kits. Designed specifically for compatible Starfish Smart Video Doorbells, these adjustable mounting accessories help improve camera coverage by allowing both horizontal and vertical positioning. Whether mounting beside a narrow door frame or on an angled entryway, these kits make it easy to direct the camera where it's needed most.

**Aim Your Camera Exactly
Where You Need It!**

FEATURES

Horizontal Adjustment

Adjust the viewing direction from 15° to 30° left or right using the adjustable angle bracket. The reversible design allows installation on either side of the doorway.

Vertical Adjustment

Use one or both wedge brackets to angle the camera 5° or 10° up or down.

Maximum Flexibility

Combine the horizontal bracket with one or both wedges for multiple installation configurations and optimal camera positioning.

Mounting Hardware

Mounting hardware is included for every configuration.
