SATCO|NUVO's Smart Security Flood Light with Camera delivers advanced, upgraded technology for enhanced home security and surveillance. This improved model now features a refined 1296P, 3MP camera for sharper clarity, dual-band Wi-Fi connectivity (2.4GHz and 5GHz) for more reliable performance, and a focused 135° field of vision for precise monitoring. Powerful, motion-activated 3000K flood lights illuminate instantly when activity is detected, and the modern, bullet-shaped adjustable heads allow you to direct light exactly where it's needed. View live footage and event history remotely from any mobile device through the STARFISH® app—anywhere, any time.
