Slim, sleek, and designed to do more— SATCO|NUVO's CounterQuick Slim undercabinet lighting brings both dramatic accent and practical task lighting to spaces where traditional fixtures simply can't. Its ultra-low profile and contemporary black or white finish complement any décor, while selectable color temperatures (3000K/4000K/5000K) let you tailor the ambiance from warm and inviting to bright and energizing. Designed for ultimate versatility, these fixtures come in multiple lengths, connect seamlessly for extended runs, and can be expanded with optional accessories. Whether brightening kitchen countertops, adding depth to office shelving, or creating atmosphere in hospitality settings, CounterQuick Slim delivers style and performance in one smart, streamlined solution. CounterQuick Slim…light where you need it, style where you want it!
