## INDOOR/OUTDOOR WITH STARFISH TECHNOLOGY

Millions of Colors

Warm to Cool Tunable White

**STARFISH®**  
Controlled with App or Remote

Bring year-round brilliance to your home with STARFISH® LED Smart Eave Lights, available in 50 and 100 foot kits with optional 25 foot extension strands. Designed for quick, hassle-free installation, these lights mount easily under your eaves using double-faced tape for positioning before being secured in place, and they plug into a standard outlet—no hardwiring needed. Create the perfect look for holidays and every celebration with millions of vibrant RGB colors or warm-to-cool white tones, all controlled through the STARFISH® app or the included IR remote. Fully compatible with Alexa, Google Home, Siri, and SmartThings, these lights make it effortless to transform your home's exterior into a customized, connected lighting experience.
