

COLT

LED OUTDOOR LANTERNS

62-2314

62-2311

62-2313

With classic tradition and modern flair, the Colt Series reimagines the traditional lantern with a contemporary twist, offering the perfect blend of design and modern innovation. Clean lines and a streamlined silhouette make these LED outdoor lanterns a sophisticated addition to any exterior space. Finished in sand black, they exude understated elegance, complementing a variety of architectural styles. Its fresh, modern take on classic outdoor lighting provides a warm and inviting ambiance while maintaining a refined aesthetic. From porches to patios, the Colt Series brings enduring style and energy-efficient illumination to your outdoor spaces, tradition reborn for today.
