

TRILBY

SWING ARM WALL SCONCE

60-7391 / 60-7392

60-7393 / 60-7394

The Trilby wall light collection combines modern style with everyday functionality. Available in matte black or matte white with a warm burnished brass finish, Trilby features an adjustable swing arm that allows light to be directed exactly where it's needed. Offered in both one light and two light configurations, the collection is ideal for reading nooks, bedside applications, offices, and living spaces. The half bowl metal shade features a reflective white interior to maximize light output while maintaining a clean, sophisticated look.
