

ALEXIS

PENDANT FIXTURES

60-7938/60-7939

60-7948/60-7949

The Alexis pendants showcase a stylish and understated lighting solution for today's home. The finishes are sophisticated and modern on the canopy, rod, and matching metal shade, unifying the overall artistic vision of the design. Bring a tired entryway into the 21st century, create a row of unique lighting in an office or work study, or provide additional task lighting over a kitchen island. The focus on essential elements like style, design, and finish, all come together to create a sleek and uncluttered appearance. Choose from two available sizes in two beautiful finishes, burnished brass with hints of gold, or matte white, Alexis beautifully integrates into various decors and lighting solutions.
