NUVO Home's Pi LED Flush Mount Fixtures combine clean, modern styling with versatile illumination for residential, multi-family, and commercial spaces. Available in brushed nickel and matte black finishes and three round sizes, these fixtures complement a wide range of interior styles. The low-profile design and frosted etched glass create a polished look, while two additional selectable color temperatures offer even greater flexibility to achieve the desired ambiance. Featuring high-quality 90 CRI light output, dimmable operation, and a damp location rating, these fixtures offer a versatile lighting solution for a variety of applications.
